It will also involve presenting videos and talking to our users on the CNET UK forums.

Person Specification:

- Strong web-savvy writing and presenting skills, including the ability to write in a variety of styles.
- Interest and knowledge of social media.
- A passion for technology, combined with in-depth knowledge of the subject.
- Understanding of the key information that consumers need to make buying decisions.
- Action-oriented, ability to do accurate work to tight deadlines and cope with a demanding workload.
- Ability to remain organised and focused in a multitasking environment.
- Interest in engaging with users and helping with their tech-related queries.

Education & experience required:

- Educated to degree level, or professional equivalent.
- Ideally will have experience of online technology editorial and hands-on reviewing.
